MASSIVE INTERNATIONAL SERVICES

Reliable Protection, Access, Monitoring and Surveillance

Massive International Services surpass our competition in meeting the standards of what a security providing company consists of in the industry today. As a security provider we provide much more than to deter, detect and report.

Massive International Services is the next generation of contract security providers. We know what it takes to keep you and your business safe, but more importantly, we know how to add value to your company/Event by providing superior customer service and attention to detail. We take ownership of every client properties and its environment. At Massive International Services we care about our clients and their business. We focus on detail that will bring your company to the forefront in your industry

OUR VISION:

Our vision is that criminality is reduced and standards are raised in the private security industry so that the public in general feels safer.

OUR MISSION

Our mission is to be effective, fair and efficient regulator of the private security industry

Our Objectives

Our strategic objectives fall under the following categories:

- **Protecting the public** - ensuring that only fit and proper people and organization deliver regulated private security services.
- **Customer services** – delivering services which meet the needs of our customers.
- **Delivering value** – operating within our means and delivering value for money
- **Developing our people and Organisation** – ensuring that our staffs have the competencies and skills to perform effectively and minimize their potential.
- **Delivering a phased transition to a new regulatory regime** – working with private security industry and other key stakeholders to develop the principles and framework for a new regulatory regime.

MASSIVE INTERNATIONAL SERVICES

Reliable Protection, Access, Monitoring and Surveillance
